

ACCEPT PAYMENTS EASILY & SECURELY

As a business owner, accepting payments should be easy and seamless allowing you more time to focus on growing your business, not fixing problems at the point of sale.

Imagine a terminal that allows you to accept a wide variety of payments safely and securely while providing the customer multiple payment options. Enter the Dejavoo terminal and PIN pad payment solution.

FEATURES:

- Accepts multiple payment types including EMV®, NFC and mobile payments
- Touch screen terminal paired with touch screen PIN pad to enhance the customer experience
- Multiple connection methods including dial up, IP or WiFi
- Detailed reporting for business owners/managers

BENEFITS:

- Quick and secure payment transactions
- Easy-to-use equipment for staff and customers
- Reporting available to monitor business sales
- Flexible to accommodate business needs including multiple payment methods accepted
